If your child has brought a jacket/sweatshirt/lunch box/shoes/etc. to school and has not come home with these items, please be sure to check the lost and found located outside of the cafeteria before the last day of school. Any remaining items that are left will be donated to a local charity June 1st.

## Key Points in Computer with Mrs. Cayce

Email is the best way to contact me, feel free to do so, [sharon.cayce@krumisd.net](mailto:sharon.cayce@krumisd.net)

As we bring this year to a close please allow your children to work on a computer at home to complete school work. We are working to complete assignments in the online programs we have been working with this year. We want each child to end this year strong so they are better prepared next year. 3<sup>rd</sup> grade has been working with Achieve3000, Study Island and Typing Pal. 2<sup>nd</sup> grade is also working with those programs in addition to Reading Eggs. Everyone has worked so hard on these programs that there are rewards in place for different levels of accomplishment. Several children are there now and others are very close. If you are not familiar with these programs, take some time to see what kind of skills they have been working on in these computer programs. Some of these programs will work on iPads as well.

Our school fundraiser with Worlds Finest Chocolate ended on March 16. Congratulations to our top 3 sellers:

1st- Jayce Bolin / 12 boxes sold

2nd- Victoria Sprague / 8 boxes sold

3rd- Gavin Goss / 6 boxes sold

If you still have chocolate at home please return it along with any money for the items sold, or send in the \$60 to pay for the entire box of the chocolate.

Thank you to all who participated in selling chocolate.

# Coach's Corner with Coach Alexander

We have made it to the final stretch of the school year! WooHoo!

We are excited to announce that Field Day is right around the corner! Field Day will take place on Wednesday, May 30<sup>th</sup>. There will be many activities to play to make it a day of fantastic fun! Our theme this year will be "Let the Games Begin." The schedule will be slightly different this year with the students participating in timed sessions taking place at different parts of the day. We have designed the shirts and once they have been printed, they will be on sale to purchase for your child or your whole family. We encourage the purchase of shirts, so the classes can easily be identified. The schedule of the day has been completed and will be available to print through our website during the month of May. Your child may either bring their lunch on this day, or purchase a sack lunch from the cafeteria at the regular school lunch price. We are learning more every day and moving very quickly.

Stay active and healthy!

## Reminder from the Nurse's Office with Mrs. Craddock, RN

- The end of the school year will be here soon! Here are a few year-end reminders for parents and students.
- ALL student medications and equipment will need to be picked up by the last day of school. Any medications left at school will be discarded.
- Medication Use forms and doctor's orders for medications will not "carry over" to next year. A new form must be completed each school year.
- If your student receives any immunizations over the summer break please bring a copy of the shot record on the first day of school so his/her records can be updated.
- There is a small supply of clothes kept in the nursing office for any student who needs to change during the day due to accidents/spills. If you clean out closets over the summer break we would be happy to have any clothes/shoes that your student no longer wears.

Remember to play it safe in the sun and water. Have a good summer!
